COMPANY NAME CHANGE ANNOUNCEMENT

March 4th, 2019

Dear Sir / Madam

We are delighted to announce that our company name, New Britain Oils Limited, will be changing as of March 18th, 2019, to Sime Darby Oils Liverpool Refinery Limited. This name change is part of the global rebranding of Sime Darby Plantation downstream division and will allow us to present ourselves as truly the worlds best partner in enabling full sustainable living with top-of-class oils and fats, now and in the future. Our commitment to our customers and partners remains our highest priority.

Be assured that this rebranding will not affect or delay any contracts or agreements you may currently have with New Britain Oils Limited. This letter is intended to offer notice that all invoicing, packaging, and related documents will carry the new company logo after March 18th, 2019.

Alongside the change of company name, our email address domain will also change to **user@simedarbyoils.com**. The change to email address will come into effect from March 4th, 2019. Any emails sent to @newbritainoils.com will be automatically forwarded for a period of time but would encourage you to update your records as soon as possible

Please note that the name change will not affect our banking details, billing addresses, phone numbers, company registration number or VAT number, which all remain unchanged.

We would appreciate if you could bring this announcement to the attention of your accounts payable department and direct them accordingly. Should you have any questions regarding this name change, please feel free to speak to your contact person at Sime Darby Oils Liverpool Refinery.

We appreciate your cooperation in this matter.

Your Sincerely,

A handwritten signature in black ink, appearing to read 'Andrew Worrall'.
